

# Equal Opportunities Policy

## Introduction

Wrose Parish Council is committed to providing the highest quality of service provision and recognises that the implementation of an effective Equal Opportunities Policy is an integral part of achieving this.

The Council, as a corporate body, has responsibilities as an employer, a service provider and a public authority; however, both members and employees as individuals also have responsibilities to uphold and promote equality as well as rights.

The Council will treat all its employees, partners and customers with dignity and respect, free from discrimination, victimisation and harassment.

## Legal position

Under the Equality Act 2010 it is unlawful to discriminate against an individual on the following grounds:

- age
- disability
- gender reassignment
- marriage and civil partnership
- pregnancy and maternity
- race
- religion or belief
- sex
- sexual orientation

These are known as “protected characteristics” in section 4 of the 2010 Act.

Section 149 of the 2010 Act imposes a Public Sector Equality Duty (PSED) on Parish Councils requiring them to:

- Take proactive steps to eliminate discrimination and harassment, victimisation and any other conduct that is prohibited by or under the Act.
- Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it.
- Foster good relations between those who share protected characteristics and those who do not.

# **Our commitment**

Wrose Parish Council

- understands its obligations under the Equality Act 2010
- is fully committed to its duty, imposed by Section 149 of the 2010 Act
- is committed to the principle of equal opportunities and declares its opposition to any form of less favourable treatment, whether through direct or indirect discrimination, or failure to make reasonable adjustment when required, on the grounds of the protected characteristics as specified in the Equality Act 2010
- is an Equal Opportunities employer, provider of services and contractor. It is committed to the promotion, maintenance and protection of the rights of individuals. The Council is committed to making full use of the talents and resources of its employees.

The Council will ensure that all recipients of the services delivered directly by the Council are guaranteed the same opportunity.

All policies of the Council will be designed to support the principles and practices of equal opportunity and actively promote inclusivity.

## **The Council as an Employer**

The purpose of this policy is to provide equal opportunities to all employees or prospective employees, irrespective of their characteristics except where a genuine occupational requirement or positive action, as permitted under the Equality Act 2010, applies. The Council opposes all forms of unlawful and unfair discrimination, victimisation or harassment on the grounds of any protected characteristics defined in the Equality Act 2010.

All employees, whether full-time, part-time, fixed contract, agency workers or temporary, will be treated fairly and equally. Selection for employment, promotion, training, remuneration or any other benefit will be based on aptitude and ability, except where positive action is appropriate under the Equality Act 2010

All employees will be helped and encouraged to develop their full potential, and the talents and resources of the workforce will be fully utilised to maximise the efficiency of the council.

Every employee is entitled to a working environment that promotes dignity and respect to all. No form of intimidation, bullying or harassment will be tolerated.

The Council will encourage and develop all employees to support and carry out the requirements of the Equal Opportunities Policy.

Breaches of our Equal Opportunities Policy will be regarded as misconduct and could lead to disciplinary proceedings.

The commitment to equal opportunities in the workplace is good management practice and makes sound business sense as it seeks to utilise the talents available from the local community, representing Society as a whole.

This policy is fully supported by all Members of the council and adopts the model contract as devised by the employee professional body in the local government sector (the Society of Local Council Clerks)

## **The Council as a direct service deliverer**

The Council's clients have the right to expect fair and non-discriminatory treatment whilst participating in or receiving any of the Council's services or activities. All aspects of the Council's Equal Opportunities Policy impact on the manner in which it directly delivers services to and for its residents.

The above requirements apply to all services and activities of the Council which will be designed and delivered in a way that aims to remove barriers to access and participation
